

BONALDO

Lovy

Lovy is a fixed sofa with an unusual silhouette: whose the semi-oval shape encourages. Perfect for contract settings, its particular shape makes it ideal for use in the middle of the room. In the modular version, the Lovy contemporary design sofa becomes even more customisable thanks to the various elements that allow it to be adapted to different spaces. The body is upholstered in removable fabric and the metal base is available in numerous colours and finishes. The vast success that this model has enjoyed has inspired Bonaldo to introduce

a complete Lovy collection, thus making it possible to create perfectly coordinated environments with the same original style connotations: Lovy hi (with high backrest), Lovy low (with, low backrest), Lovy ego (quilted), Lovy armchair (with high or low backrest) and Lovy pouf (round or square). The new and different modular elements allow the Lovy sofa to adapt to spaces and create customised solutions according to everyone's aesthetic needs.
