Pil, Pil up, Miss Pil, Miss Pil up

Pil is a collection inspired by the object that is itself a symbol of softness, the pillow. Usually interpreted as an accessory, here the pillow plays the starring role, shaped and adapted to create a chair that conveys comfort and relaxation. The main components of the Pil soft chair are the backrest cushion and the seat cushion. The latter features a fold in the middle, created to generate an enveloping effect that physically and

visually emphasises the feeling of softness. The base consists of metal legs, with the crossbars set at a special angle, to create an original graphic interweaving effect. Available in different versions: Pil, Pil up (with higher backrest), Miss Pil (with armrests), Miss Pil up (with higher backrest and armrests), Pil too (stool), Pil armchair and Pil armchair hi.
